**PTO Updates**

Dear Cabrillo Families,

Many announcements this week!

As Mrs. Flores-Aikey already mentioned above, it is time for Cabrillo to nominate recipients for the Elna Flynn award. Ms. Flynn was an exceptional volunteer for students of the Pacifica School District. She volunteered in classrooms, libraries, the PTA and beyond. If you would like to read more about her please read her bio . Please take a few short minutes to nominate someone in the Cabrillo community that you believe should be recognized this year. Here is the Nomination Form. Nominations will be open until Wednesday, March 9th. We will be voting next week!!

Next, at our PTO meeting, it was brought up that there was a serious need for more playground equipment. And although we allotted some money for these purchases, we also put together an Amazon Wish list for many of the items. hank you to the Alasandro, Casarella, Kochieva, MacDonald, Reynolds, and Zoph families for already purchasing some items!! I spent some time with my own kids unpacking boxes and pumping up playground balls that will be in the hands of the kiddos tomorrow! There are still items on the list, please check it out the Amazon Wish list

We are also very excited to add Taylor Ryder to our board as the VP of Creative and Performing Arts! We are very lucky to have her join our team!! And in that light, we are very excited to announce that due to your generous donations we are able to bring Music to our K-2 students for this last trimester. Mr. Mark Sessler, of Green Room Music, will be delivering music education to our youngest learners.

As has been mentioned in the previous newsletters, many of the board members will be "aging out" this year so please reach out to a board member if you are curious about joining or finding out more information.

We will need to fill the roles of:
~President
~VP of Lower Grade Liaisons
~VP of Upper Grade Liaisons
~VP of After School Enrichment.
If you are interested or have any questions, please email me at cabrilloPTOboard@gmail.com

Have a wonderful week!

Angelique Barry
PTO President
