

CABRILLO NEWSLETTER – MAY 13, 2022

Hello Cabrillo Families -

Happy Friday! This Wednesday, I had the pleasure of visiting our fifth graders at Outdoor Education. Cabrillo's counselor, Ms. Brennan, and I had a lovely drive down the coast. We got to camp in time to have lunch outside, on the ground, with a group of our students! It was wonderful! We also got to learn about ways to leave our planet better for the next generation, and watch students practice their skits. As I write this on Friday afternoon – all students have returned safely! 😊

A heart-felt **thank you to the PTO** and to the many, many families that honored school staff last week for Staff and Teacher Appreciation Week. You have truly spoiled us all with lunches, gift cards, and snacks. Thank you, from all of us!

Today is the third and last day of the **PEF Donation Drive**. We hope that you can give generously, as PEF funds some amazing programs, like music and poetry, for Cabrillo. Please take a look at the attached graphic, which shows the stats, thus far.

Cabrillo's Green Team will be hosting a campus clean-up day this **Sunday, May 15th, 1-4pm**. Projects include painting tree stumps for seating, weeding, and general campus clean up. Bring along your trowels, buckets, and paintbrushes (*if you have 'em*) to help spruce up our campus. Thank you in advance!

Open House is on Thursday, May 26th from 6:00 – 7:00pm. We ask that you try and stagger your visit, in order to spread out as much as possible. However, we won't turn anyone away if you can't come when suggested. Also, if you have multiple children at Cabrillo, we know you'll need the full hour. *Here is the suggested schedule:*

- If your last name starts with A – M, please come from 6 – 6:30
- If your last name starts with N – Z, please come from 6:30 – 7:00

The only exception to the Open House schedule above, is third grade. The third grade **"Poetry Café"** and Open House will be held the night before, on Wednesday May 25th. The third grade teachers have time slots for this event, and are sending that out to the third grade families in a separate flyer.

Happy weekend, everyone!

Sincerely,

Annie

Annie Flores-Aikey, Principal
